

UL Type 4X Disconnect Enclosures

The KATKO / ALTECH Stainless Steel product line (KER) is designed for use in the Food & Beverage and Mining industries. The UL Type 4x enclosures provide a very high level of protection.

These high quality enclosures were specifically designed to withstand chemicals and have as few cavities as possible in order to be easily cleanable.

Suitable for use in:

- Food & Beverage industries
- Mining industry
- Hazardous and demanding environments
