

# APPLICATION ILLUSTRATION

## Improve Productivity by Using Visual Signals

HSST Kit

Typical Lean Manufacturing Workstation

## DETAILS

- BEFORE  
Workers had to go look for supervisors to get help or more parts. This wasted a lot of time.
- AFTER  
Dramatically reduced waiting time and workers did not have to leave the workstation area.

## FEATURES

- Easy to use and install
- Long-life LED
- Manual operation provided

## TYPICAL USERS

- Automobile manufacturing
- Automotive parts manufacturing
- Aerospace
- Textile
- Retail store queues
- Contract manufacturers
